9. **Chef’s Featured Dessert:** Enjoy a complimentary dessert for the table, selected by our Executive Pastry Chef.
10. **Swimming Pool Membership:** Access to recreational swimming in the NPBCC pool for the primary member and immediate family.

CLASSIFICATION

Social Dining memberships are available as either 'Resident' or 'Non-Resident'. Applicants must be over 18 years of age and may apply as either a Single Adult or as a Family. A Family membership includes a spouse and/or children 18 years or younger, or matriculating undergraduate students up to age 23, all residing at the address listed on the membership application.

Residential Rate Eligibility

To qualify for the residential rate, members must provide proof of residency within the Village of North Palm Beach (NPB). Residency can be established in one of the following ways:

1. Owning and residing in a property within the Village, either full-time or part-time, and paying local taxes. Acceptable proof includes a deed or tax bill. Renting a P.O. Box in NPB does not qualify as residency.
2. Renting a residential property within the Village on a full-time basis. Proof of residency may include a 12-month lease agreement.
3. Residing full-time in a property owned by a corporation. To qualify as a resident, the applicant must demonstrate 100% ownership of the corporation and provide legally accepted documentation (such as a driver's license, utility bills, or a PAPA report showing the property as their primary residence).
